Magenta, 400p, High Yeld
This genuine LC3213M Ink Cartridge in Magenta has been designed to provide impressive results every time you print. As a genuine Brother supply, it's simple to install and guaranteed to be 100% compatible with your printer.

When it's time to replace your printer ink, you can rely on Brother's LC3213M magenta ink cartridge to ensure your printer remains in perfect working order and your printouts stay crystal clear. With a 400 page yield, not only do the LC3213M magenta ink cartridges produce high quality prints, but they last longer than standard cartridges too.

Though it can be tempting to buy less expensive, non-branded supplies, you should remember that refills and other cheap print cartridges can not only affect the quality of your prints but void your warranty and cause long-term damage to your printer.

This genuine LC3213M magenta ink cartridge keeps your machine performing just as it should, providing you with better value for money in the long run and impressive results, every time.

- Prints 400 pages in accordance with ISO/IEC24711
- High quality genuine Brother cartridge
- Prevents waste to save you paper, time and money
