Field-Ready Tablet Case for Samsung Galaxy Tab Active 2 - Black

Adoption of tablets in enterprise continues to grow not only in terms of users but also as we discover new environments in which they can be used. From the bank to the restaurant to the police station, tablets are taking charge. The Field-Ready Case and Holster is our most innovative tablet solution yet for organisations looking to make the most of the mobile revolution. Improve productivity and efficiency by enabling employees to access, collect and report data on the go. Enhance the customer journey by making employees more accessible to customers. The Field-Ready Case is designed to meet core usability needs to ensure employees don't just use a mobile device for work, they enjoy doing so. Available in black and weighing just 0.17kg the Field Ready Case is designed to be lightweight and discreet to ensure comfort and versatility.

- Tested to MIL Drop spec STD 810G from 1.2M
- Variable hand straps allow for different size hands to give assured grip
- Elasticated lanyard for Samsung Active pen to make sure its never lost and fits neatly on top of case
- Click in kick stand allows tablet screen to be easily shared with others off a desk or table
- Compatible with Targus holsters THZ711GLZ and THZ712GLZ for hands free carrying of tablet and case
- Raised front bezel means the tablet screen never touches the table surface
- Limited lifetime warranty
